In the event a group of teachers is involved, a small representative group of such teachers may be present, if they so desire. The principal, or his/her designated representative, shall schedule a meeting to be held within three (3) days after the teacher's request.

Differences which the parties are unable to resolve informally may be presented in writing to the principal by the Union Building Representative. Such grievance shall be dated and signed by the aggrieved teacher and the Union Building Representative. When all teachers, or group of teachers in a school or subdivision of that school are involved, the Building Representative shall sign the grievance and shall identify the group involved.

At any meeting during the informal or formal stage one (1), if either party believes assistance is necessary, he/she may request assistance and the parties shall meet at a mutually agreeable time. The request for such assistance shall not relieve the principal and the Building Representative from the responsibility of settling the issue.

Within five (5) days after presentation of the grievance in writing to the principal, said principal shall submit his/her decision together with the supporting reasons, to the Union Building Representative.

### 2. Second Stage - Superintendent

The Superintendent or his/her designated representative shall set a date for said meeting within three (3) days of the receipt of the request and shall notify the Union of this date at least two (2) days in advance of the meeting. The meeting shall take place within ten (10) days of the receipt of this request. Within seven (7) days after the said meeting, the Superintendent or his/her designated representative, shall submit his/her decision in triplicate, together with supporting reasons, to the Union.

At this meeting and in any meeting at succeeding stages of this procedure the Superintendent or his/her designee and the Union shall have the right to have in attendance any persons they deem necessary for proper discussion of the grievance.

Upon written request to the President of the Board of School Trustees the Union shall be entitled to a meeting with the Board to discuss the grievance prior to the Board's final decision.   - c. In no case shall a grievance cite as an alleged violation a condition which terminated more than thirty (30) days previous to the filing of the written grievance unless a lack of knowledge of the act or condition is the reason for having failed to honor these time limits, in which case, the grievance must be filed within thirty (30) days after becoming aware of the aforesaid act or condition.
  - d. The thirty (30) day time limit for the initial filing of a grievance shall not apply after a principal or the Director of Personnel has received a written dated notification of a possible grievance, unless the principal or Director of Personnel responds to this notification of a possible grievance with a written dated request that the time limits of this section be honored. This request shall be sent to the aggrieved teacher with copies to the Union Building Representative and the Union Grievance Chairperson. The formal written grievance shall then be filed in the appropriate stage no later than

- 10. Failure to file a grievance shall not be interpreted as agreement with any interpretation of and/or change in this Agreement and/or written Board and Personnel Policy and/or established local working conditions or practices.
- 11. Settlement of grievances may or may not be retroactive as the equity of the particular cases demand, but in no event shall retroactive payment to a teacher commence earlier than thirty (30) days prior to the date of filing the written grievance except for situations covered by Article VIII, Section D of this Agreement and except where there was a lack of knowledge of the act or condition which was the basis for the grievance.
- 12. No documents, communications or records dealing with the processing of a grievance shall be filed with the personnel file of the participants except upon the written request of the aggrieved teacher.
- 13. A grievance may be withdrawn by the Union at any time.
- 14. Released time without loss of pay shall be provided for teachers who must attend meetings scheduled under terms of this procedure.
- 15. No reprisal or punitive action of any kind shall be taken by either party against either party of interest or by a participant in the grievance procedure.
- 16. If the contract has been violated, but the language of the contract does not suggest an appropriate remedy, and the parties are unable to agree on an appropriate remedy, the aggrieved may continue to process the grievance in an effort to attain an appropriate remedy.

#### **Teacher Compensation Model Effective January 1, 2015**

The Teacher Compensation Model shall consist of four (4) factors used to determine increases in teacher compensation:

1. **Teacher Summative Evaluation (4 base units)**  
Teachers who score in the top two categories (Highly Effective or Effective) on the evaluation instrument earn 4 base units.
2. **Experience (1 base unit)**  
Teachers who had a minimum of 120 paid days the previous school year earn 1 base unit.
3. **Education (1 base unit)**  
Teachers who have a Master's Degree or a Bachelor's plus 36 hours of credits earn 1 base unit. The Master's Degree or a Bachelor's plus 36 hours should serve to expand a teacher's understanding, knowledge base, or knowledge in a field directly related to his or her instructional duties. For Bachelor's plus 36 hours the credit hours must be earned subsequent to obtaining a teaching license.

**OR**

Teachers who have successfully completed 3 hours of credit in the teacher's content area during the previous school year earn 1 base unit. These credit hours should serve to expand a teacher's understanding, knowledge base, or knowledge in a field directly related to his or her instructional duties. Credit hours must be preapproved by the Superintendent of Schools.

4. **Academic needs of students (1 base unit)**  
The academic needs of students requires that teachers continue to pursue professional growth experiences throughout their teaching careers. Teachers who have earned 45 professional growth experience points during the previous school year earn 1 base unit. The professional growth experience points shall be calculated with (1) clock hour qualifying for (1) professional growth experience point in education activities as outlined by the Indiana Department of Education.

Teachers who score in the bottom two categories (Needs Improvement or Ineffective) shall not be eligible to receive any increase in compensation. The amount that would otherwise have been allocated for increases in teacher compensation for teachers rated "Needs Improvement" or "Ineffective" shall be allocated for increases in teacher compensation for teachers rated "Effective" or "Highly Effective" based upon the teacher compensation model.

Each school year the Gary Community School Corporation and the Gary Teachers Union will negotiate the amount of money available for teacher salaries. This dollar amount will then be used to determine the dollar amount for each base unit.
