WEEK OF APRIL 20TH

Hello Blue Crew,

This is your assignment for this week: create a Tik Tok video of you doing a hairstyle. Please view the attached document for more directions. You will need to use at least 5 hair styling vocabulary words in your video. Be sure to include a before and after shot of your hairstyle.

This is due Friday May 1st, 2020. Please let me know if you have any questions.

**Thank you,
Mrs. L. Smith**
