This week's assignment.

(This assignment is for Tuesday, Wednesday, and Thursday)

Read Chapter 10, Institutional Corrections, pages 350 – 393. After reading the chapter, answer the 67 questions in the worksheet/test handout in your binder. Also, answer review questions 1, 4, 8, 11, & 14 on page 392 in your book. You can write your answers on the back of the worksheet/test or use a separate sheet of paper. There is no "Key Term" worksheet for this chapter.

SAVE ALL THE MATERIAL IN YOUR FOLDER.

Towards the end of April, I will plan with you to collect all the completed material in your binder, grade it, and issue you a new set of worksheets/ tests for next month.

Also, I created a google classroom for our class and sent you an invite to your Gmail. I will email you more information later this week in regards on how to navigate and use google classroom. Currently I attached and posted our chapter PowerPoints and my lecture notes. You should be able to open and view them in the post section. I will eventually post all your assignments this way.

Please email me with any questions you may have.

Thanks,
Lt. Grennes
