

Good Morning ALL CULINARY students!

Please use this week to get caught up on all of your assignments. In case you don't know by now. You can access any & all assignments that have been posted for Culinary 1 & 2 on the Gary Community School Corporation website. Go to <https://www.garycsc.k12.in.us/> and you will see a tab E-Learning on the home page. Click on that tab and scroll all the way down to GACC. Click on that tab <https://www.garycsc.k12.in.us/gacc/> On that page, you will see a list of all of the classes that the Career Center has. Scroll to Culinary and you should see assignments that I have posted since March.

Please use this week to complete any & all assignments. I will use this week to update infinite campus and grade late assignments. **After this week, I will NOT grade anything from March to last week.**

Make sure you guys are adding Culinary vocab words to your Tik Tok videos. I AM deducting points if you turn in a video without Culinary words. The words are found on the Tik Tok pdf document that was posted last week.

Please text/ email me if you need help or have any questions.

Thanks,

Ms. Freeman
