<https://www.zerotothree.org/resources/200-driven-to-discover-how-thinking-skills-develop-through-everyday-play-and-exploration>

After reading article write a one page essay explaining how thinking skills in children develop through play. Do you agree with the article? Do you disagree? Why or why not? Please include how you can use this information with parents.

Thursday, April 22, 2020

Create a social emotional activity for three to five year old. Please use the picture format given to you in Google Classroom to create your lesson.
