WEEK OF APRIL 13TH

Hey Designers,

First of all, I want to say thank you very much for continuing to be smart, creative, committed students. The resumes and websites are looking good and you all are doing a good job on the assignments. I sincerely appreciate your efforts. For this week, I want everyone to get caught up. I have graded and/or provided feedback on everything that has been submitted, so you should either be reworking drafts, making sure all your assignments are in and ready for what's next. Your assignments for this week follow.

Any questions or concerns, please don't hesitate to contact me. I am here for you :)

Thanks again!
Ms. Reese
