

Good afternoon,

Please find the PowerPoint for the Introduction to EBP and PICO questions. There is a website listed in the PowerPoint that will also have to be read... Taking notes on the PowerPoint and website will help you on the Quizizz assignment. There are 20 questions on the Quizizz, and is worth 100 points total. There is also a separate assignment to write your PICO question (50 points!) and submit via email.

Both of these assignments are due THURSDAY APRIL 16th by 5:00pm! I wanted you all to have extra time to read the PowerPoint and that website! If you have questions or something just doesn't make sense... TEXT ME/ EMAIL ME, I am here to help you!

All teachers have a virtual meeting with Director Smith Tuesday at 10am. If there is any important information, I will be sure to email all of you!

I hope you all had safe and healthy!

Thank you!  
Nurse Jen
