

# Barber

## Lesson Plan

May 11-15, 2020

### ACTIVITY

- What's the two primary purpose for a facial
- True or false; can you directly immerse your dirty implements in disinfectant solution
- Which of these two guards will cut the shortest- 4 or 1?
- What's the difference between Theory and practical?
- Which of the above is your favorite and why.
- Watch two YouTube Tutorials on Sanitation in the barber shop and practicing safety measures when working on a client.
- Define 20 new barbering vocabulary words, searching on google

### Writing assignment...

- Would you prefer online teaching or actually being in the classroom, if so, or not, please explain.
