

Greetings Blue Crew,

Every licensed Cosmetologist has the opportunity to manage their career and to think out of the box. As a student, you must always remember you chose your own destiny. So you must develop your skills in the areas that interest you the most, as a result you will be able to skyrocket your career in this field.

Along with choosing a specialty that interests you, you must decide on the type of salon you want to work in. Many options are available: Specialty salons, Full service salons, Photo, video or film sets, and Day Spas to name a few. Write a paragraph telling me why you chose that salon to work in. Research it if you must, but please do it.

Contact me if you have any questions.

Thank to you all!!!!!!

Mrs. L. Smith
