

**MAY 19 – MAY 21 (TUES, WED, & THURS)**

Study and review the Indiana 10 Codes and Signal Codes on the handout. Fill in the blanks on the short story using the 10-Codes and Signal Codes. After completing this assignment, work on finding Robert Peel's Principles of Policing in your textbook and complete the handout "Introduction to Criminal Justice". Finish up the week by completing the Vocabulary Match handout by using your textbook.

**I will** contact you if there is any more material to complete after these assignments. Remember to contact me with any questions you have. I am available during the week until 11:30 am.

**I will** make arrangements with you to pick up the month of May/2020 worksheets and handouts no later than May 22, 2020.

**I will** keep you informed regards final grades and course completion.

Thanks for your hard work and staying focused on the course. This has been a challenge not only for you but also for the teacher staff at the career center.

I hope all is well with you and your families.

Sincerely,

Mr. G
