WEEK OF MAY 11TH

Hey Designers,

Thanks to those who filled out the Reflection and Senior forms. If you haven't gotten around to it, please do so asap.

ASSIGNMENT 1

I would like for you to find an example of good graphic design and an example of bad graphic design. Analyze both, what the designer of the good design did to make it good and what the designer of the bad design did to make it a bad design. For the bad design, explain steps you would take to make it a better design. Provide a picture of both designs and your typed analysis of the design.

ASSIGNMENT 2

The new owners of Ono's Pizza are planning to open July 1st. They need a logo, a promo design for flyers and social media and a simple menu. Using Adobe Spark, design some items that the restaurant could consider using for their grand opening.

Any questions or concerns, please don't hesitate to contact me. I am here for you :)

Thanks again!
Ms. Reese
