

Hello everyone!

We have just two weeks left for elearn! You all are almost there! For my seniors, graduation is within reach!

We are continuing with the review for the CNA curriculum... I have included the book link for those that left the book at school. This week's Quizizz is on Lessons 16-30. The Quizizz is due by Thursday May 21st, 2020 by 11:45 pm and is worth 40 points. There are 20 questions, two minutes a question. Please go to joinmyquiz.com and enter the code 2468007.

As previously stated, the final week will be a final over the whole book with a few of the popular RCP's included...

Again, any questions or concerns, please email me!

Stay safe and healthy!
