

Hello to all!

As we start this week, WE HAVE THREE WEEKS LEFT OF ELEARN!

THREE weeks!!

For those that might continue into a facility and continue with certification (many facilities will hire you and certify you on the job), I want to make sure these last three weeks, we remember the curriculum for Indiana CNA.

I hope you all have your books with you to study, if not I will post the link for the book that is online.

This week's assignment is a Quizizz on lessons 1-15, next week will be a Quizizz on Lessons 16-30, and the final week, 1-30 including RCP questions.

This week Quizizz is due by Thursday May 14th by 11:45 pm. There are 75 questions, and two minutes to answer each question. Assignment is worth 75.
