Any teacher who believes that he/she has a justifiable grievance may request an informal meeting with the principal or the principal's representative, with or without the Union Building Representative for the school being present, as the teacher may elect, with a view to arriving at a mutually satisfactory resolution of the complaint. In the event a group of teachers is involved, a small representative

group of such teachers may be present, if they so desire. The principal, or his/her designated representative, shall schedule a meeting to be held within three (3) days after the teacher's request.

Differences which the parties are unable to resolve informally may be presented in writing to the principal by the Union Building Representative. Such grievance shall be dated and signed by the aggrieved teacher and the Union Building Representative. When all teachers, or group of teachers in a school or subdivision of that school are involved, the Building Representative shall sign the grievance and shall identify the group involved.

At any meeting during the informal or formal stage one (1), if either party believes assistance is necessary, he/she may request assistance and the parties shall meet at a mutually agreeable time. The request for such assistance shall not relieve the principal and the Building Representative from the responsibility of settling the issue.

2. Second Stage – Executive Director of Human Resources

The meeting shall take place within ten (10) days of the receipt of this request. Within seven (7) days after the said meeting, the Executive Director of Human Resources or his/her designated representative, shall submit his/her decision in triplicate, together with supporting reasons, to the Union.

At this meeting and in any meeting at succeeding stages of this procedure the Superintendent or his/her designee and the Union shall have the right to have in attendance any persons they deem necessary for proper discussion of the grievance.

 - a. A grievance should be filed as soon as is practicable after knowledge of the facts giving rise to the act or condition which is the basis of the grievance.
 - b. In no case shall a grievance cite as an alleged violation a specific act which occurred more than thirty (30) days previous to the filing of the written grievance; however, a teacher may at any time cite a violation which is a continuing violation.
 - c. In no case shall a grievance cite as an alleged violation a condition which terminated more than thirty (30) days previous to the filing of the written grievance unless a lack of knowledge of the act or condition is the reason for having failed to honor these time limits, in which case, the grievance must be filed within thirty (30) days after becoming aware of the aforesaid act or condition.
 - d. The thirty (30) day time limit for the initial filing of a grievance shall not apply after a principal or the Executive Director of Human Resources has received a written dated notification of a possible grievance, unless the principal or Executive Director of Human Resources responds to this notification of a possible grievance with a written dated request that the time limits of this section be honored. This request shall be sent to the aggrieved teacher with copies to the Union Building Representative and the Union Grievance Chairperson. The formal written grievance shall then be filed in the appropriate stage no later than thirty (30) days after receipt of the principal's or Executive Director of Human Resources request unless it is a continuing grievance.

7. All meetings held under the terms of the grievance procedure shall be held in private unless mutually agreed that it is to be a public meeting.

Failure at any stage of this procedure to take the grievance to the next stage within the specified time limits shall be deemed to be acceptance of the decision.

9. Time limits outlined in this grievance procedure may be extended by mutual agreement of the parties involved, in which case, it is clearly understood by the parties that the grievance is held in abeyance and that no party shall suffer any penalties as a result of the extension of time limits.
10. Failure to file a grievance shall not be interpreted as agreement with any interpretation of and/or change in this Agreement and/or written School Corporation and Personnel Policy and/or established local working conditions or practices.
11. Settlement of grievances may or may not be retroactive as the equity of the particular cases demand, but in no event shall retroactive payment to a teacher commence earlier than thirty (30) days prior to the date of filing the written grievance except for situations covered by Article VIII, Section D of this Agreement and except where there was a lack of knowledge of the act or condition which was the basis for the grievance.
12. No documents, communications or records dealing with the processing of a grievance shall be filed with the personnel file of the participants except upon the written request of the aggrieved teacher.
13. A grievance may be withdrawn by the Union at any time.
14. Released time without loss of pay shall be provided for teachers who must attend meetings scheduled under terms of this procedure.
15. No reprisal or punitive action of any kind shall be taken by either party against either party of interest or by a participant in the grievance procedure.
16. If the contract has been violated, but the language of the contract does not suggest an appropriate remedy, and the parties are unable to agree on an appropriate remedy, the aggrieved may continue to process the grievance in an effort to attain an appropriate remedy.

- b. Teachers whose retirement or resignation becomes effective before the end of the school year may continue their participation in the group health, life and dental insurance program and the School Corporation will continue its contribution until thirty (30) days after retirement/resignation.
- c. Teachers who retire or resign may not participate in the Group health, life and dental insurance program beyond the times outlined in a and b above.

E. Severance Pay

A one-time stipend payment shall be paid to a teacher in his/her last year of employment according to the following formula:

- 1. Teachers with 20 years or more of creditable service with the Gary Community School Corporation will receive a one-time stipend payment in their last year of employment equal to an amount determined by multiplying thirty dollars (\$30.00) per day times the number of accumulated sick leave days. (See item below as it relates to accumulated sick leave days.)
- 2. In computing the severance pay described above, a maximum of seventy five days (75) accumulated sick days will be utilized in the formula for the duration of the 2021-2022 school year.

F. Terminal Retirement Pay – only for creditable service in the Gary Community School Corporation.

- 1. A teacher during the last year of employment prior to his/her retirement will receive a one-time stipend according to the following schedule only for creditable service in the Gary Community School Corporation:

Teachers with 20 or more years of creditable service \$5,000

- 2. The teacher planning to retire should notify the Superintendent's office in writing preceding the retirement to become effective at the end of the semester or the close of the school year, so that the teacher's salary can be increased to meet this provision.
- 3. When teachers are forced into retirement as a result of ill health, accident or other unforeseen circumstances, the requirements of a written notice of intent to retire shall be waived and terminal pay benefits shall be paid in a lump sum upon the retirement of such teacher.
- 4. Any teacher who becomes disabled prior to age fifty (50), who meets the minimal creditable service requirements of twenty (20) years of teaching, and who is eligible for disability retirement, as determined by the Board of Trustees of the Indiana State Teachers Retirement Fund, shall also be eligible for terminal retirement benefits as outlined in this Section.

**ARTICLE VIII
PAYROLL PROCEDURES**

- A. Teachers shall have the option of having the annual salary spread over twenty-six (26) bi-weekly payroll periods. A request for the 26-pay option shall be irrevocable for one (1) year.

- B. The School Corporation agrees to provide a detailed accounting with each check issued to teachers, using the existing check forms. All employees are required to have direct deposit.
- C. Supplemental Payment for Errors
1. A teacher who through no error of his/her own, receives less than the pay to which he/she is entitled on any payroll payment date shall receive a supplemental payment for the underpayment prior to the next regular payroll payment date provided he/she notifies the Payroll Department of the School Service Center before 12:00 noon of the next work day following the pay date on which the error was made.
 2. A check in the amount of the underpayment will be available to the teacher at the Payroll Department no later than 12:00 noon of the second work day following the payroll date on which the error was made provided that any necessary changes in attendance records are authorized and verified in writing by the principal, department head or supervisor who signed the attendance authorization which needs correction.
 3. A teacher who makes notification of the error later than 12:00 noon of the next work day following the date of the error shall have the necessary correction made on the next regular paycheck following the notification provided the necessary written verification has been received by the Payroll Department by the Monday preceding the pay date.
- D. The School Corporation shall make payment, retroactive to the beginning of the contract year, for all errors discovered during the contract period.
- E. At the time of employment, each teacher is required to file a W-4 form showing his/her Social Security number and number of dependents. The teacher can claim no more than the correct number of exemptions. However, the teacher who expects to owe more income taxes for the year than will be withheld if he/she claims every exemption to which he/she is entitled, may increase the withholding by claiming a smaller number of exemptions. If claiming no exemptions still does not result in enough withholding to meet income taxes due, the School Corporation will withhold the additional amount which is requested on the W-4 form by the teacher. This remains effective indefinitely unless a change is filed.
- F. Tax-Deferred Annuities
1. We agree that some plan of deduction for the tax-deferred annuity for teachers be adopted.
 2. In an effort to provide all teachers with maximum opportunity to participate in annuities, a committee of no more than three teachers, along with the Director of Business Services of the Gary Community School Corporation, shall continually review plans offered by several companies, in addition to the present carriers. The committee may recommend to the Emergency Manager additional plans or a change in plans.
- G. Credit Union, Gary Educational Development Foundation, United Way, and other approved deductions, will be made from employees on a twenty-two (22) or twenty-six

(26) pay option delivered direct deposit to the vendor. Those vendors who are not authorized to receive direct deposits will be issued a manual check.

- H. The School Corporation agrees to continue the existing procedures whereby Union dues are deducted from the pay of teachers requesting it.

GARY COMMUNITY SCHOOL CORPORATION

Teacher Compensation Model Effective July 1, 2021

Salary Range: \$47,251.68 - \$81,662.44 prior to any increases being applied for the current contract year. The salary range after base salary increases are applied for the current contract year is \$48,669.23 - \$81,662.44.

Because of the temporary Referendum funding available, there will be a salary increase of 3% to the base salary of all eligible returning teachers employed by the Gary Community School Corporation during the 2021-2022 school year, which base salary increase will be distributed in accordance with the compensation model described below.

2021-2022 Compensation Model

Eligibility Criteria for 2021-2022 School Year

Teachers who score in the bottom two categories (Needs Improvement or Ineffective) shall not be eligible to receive any increase in compensation. This section does not apply to a teacher in the first two (2) full school years that the teacher provides instruction to students in an elementary school, middle school or high school.

Factors and Definitions for 2021-2022 School Year

Evaluation – The teacher received a highly effective or effective evaluation rating for the prior year.

Experience – The teacher was employed in the corporation in the prior school year and returned to employment in the corporation for the current school year.

Distribution Plan for 2021-2022 School Year

Evaluation = 1.5% of the teacher's 2020-2021 base salary. (Calculation: Teacher's 2020-2021 base salary x 1.5% = salary increase attributed to evaluation factor.)

Experience = 1.5% of the teacher's 2020-2021 base salary. (Calculation: Teacher's 2020-2021 base salary x 1.5% = increase attributed to experience factor.) The experience factor does not account for more than 50% of a teacher's base salary increase.

The highest possible base salary increase a teacher may receive is 3% of the teacher's 2020-2021 base salary, subject to the base salary cap of \$81,662.44 set forth below.

Redistribution Plan for 2021-2022 School Year

The amount that would otherwise have been allocated for increases in teacher compensation for teachers rated "Needs Improvement" or "Ineffective" shall be allocated for increases in teacher base compensation for teachers rated "Effective" or "Highly Effective" based upon the teacher compensation model. Any redistribution will be issued in the form of a one-time stipend.

One-Time Stipend for Teachers at the Maximum Salary Cap for 2021-2022 School Year

The base salary of a teacher shall be capped at \$81,662.44. Should the base increase amount exceed the salary cap \$81,662.44 in part or in total, those dollars will be paid to the teacher in the form of a one-time stipend.

One-Time Teacher Retention Stipend for 2021-2022 School Year

If a teacher was employed by the Gary Community Schools on the last day of school on June 1, 2021 and has remained continuously employed by the Gary Community Schools through December 17, 2021, then the teacher will receive a \$500 retention stipend on the second payroll in January 2022.

If a teacher is employed by the Gary Community Schools on January 3, 2022 and remains continuously employed by the Gary Community Schools through May 3, 2022, then the teacher will receive a \$500 retention stipend on the second payroll in June 2022.

One-Time Attendance and One-Time Performance Stipend for 2021-2022 School Year

Attendance Stipend: A maximum total one-time stipend of \$3,000 (pro-rated at \$600 per month) will be paid to teachers who are absent from work on instructional days only one day or less each month starting in January 2022 through the end of May 2022. Only sick and personal days will be counted against the teacher for purposes of determining whether the teacher meets the one day or less monthly absence standard set forth herein. COVID leave days will not be counted against the teacher for purposes of the attendance stipend. Instructional days for purposes of this provision are defined as the 180 student instructional days in the 2021-2022 school year. The attendance stipend will be paid on a monthly basis (February 2022 – June 2022).

Performance Stipend: Teachers who meet both of the following indicators will receive a \$3,000 performance stipend. Teachers must meet both indicators to receive the performance stipend.

Indicator 1 (applicable to all pre-K through 12 teachers): A teacher who has students assigned to him/her for any day, period, or semester must take student attendance daily as follows –

Pre-K – Elementary Teachers: Defined as taking both am and pm attendance.
MS/HS Teachers: Defined as taking attendance 95% of the time.

To fulfill Indicator 1, the teacher must take attendance as defined above 95% of the time. The Teacher of Record is the only time that co-teachers take attendance unless the regular classroom teacher is unavailable, in which case the other co-teacher must take attendance. Elementary Specials Teachers, Nurses, Counselors, Social Workers and Behavioral Specialists will not be expected to take attendance unless they are covering a general education class, in which case they would have to take attendance while covering the general education class.

Indicator 2: This second indicator is based on the school setting as follows –

Pre-school: 70% of students move up one scale on the indicators of letter recognition, object counting, and rote counting.

Elementary and Middle School: 50% of students reach typical growth in his/her classroom in Math or ELA. Note: Elementary special area teachers, Nurses, Counselors, Social Workers and Behavioral Specialists would meet the criteria

based on their evaluation rating of effective or highly effective. Middle School teachers who do not have ELA or Math assessment data will meet the criteria based on their evaluation rating of effective or highly effective.

High School: A 75% graduation rate.

Career Center: 65% of eligible students enrolled in programs earn the offered certification.

Effective Date for Implementation of 2021-2022 Base Salary Increases

An increase in a teacher's base pay shall be effective retroactively to the start of the 2021-2022 school year in August 2021.

New Hire Salary Placement

For the 2021-2022 school year, the starting base salary for a new teacher with no teaching experience shall be \$48,669.23. In the event a new teacher is hired with outside teaching experience, or in a hard to fill teaching assignment, the superintendent may grant an addition to the typical \$48,669.23 starting base salary in increments of \$1,000.00 up to a maximum of \$5,000.00 (making the maximum possible starting salary for a new hire \$53,819.23).

New hires for the 2021-2022 school year will have their initial starting salary readjusted upward by 3% up to the maximum starting salary cap of \$ \$53,819.23.

In that instance, the Pooled amount identified will be applied equally between both male and female sports respectively. (For example, a coach for a male elementary basketball team would be entitled to \$2,000. A coach for a female elementary basketball team would also be entitled to \$2,000.)

APPENDIX C

EARLY RETIREMENT INCENTIVE

REASONS FOR THE EARLY RETIREMENT INCENTIVE

- A. Pursuant to Indiana Code 6-1.1-20.3-6.8, the Indiana General Assembly has declared the Gary Community School Corporation a distressed political subdivision.
- B. An early retirement incentive will allow the School Corporation to achieve long term cost savings in certificated personnel and may allow the School Corporation to reorganize its teaching staff in a manner that could minimize or possibly even avoid a reduction in force.
- C. Thus, the parties have agreed to offer an early retirement incentive to qualifying teachers during the 2021-2022 school year.

The parties agree to offer an early retirement incentive in accordance with the following terms and conditions:

1. General Overview. An early retirement incentive benefit will be made available to currently employed teachers of the School Corporation who meet all of the criteria set forth herein. The early retirement incentive benefit will be limited to the first twenty (20) teachers who submit their written retirement notification and completed application for the early retirement incentive benefit (the "Application") and meet all other requirements set forth herein. If the number of teacher applicants exceeds the maximum cap of 20 teachers, then teacher applicants will be approved in descending order based on the date and time the retirement notification and completed Application was received in the Human Resources Office. Retirement notifications and Applications must be submitted in writing by hand delivery to the Office of Human Resources during the time window set forth in paragraph 4 below. The early retirement incentive benefit will be awarded on a first come, first served basis to the first 20 teachers who meet all of the requirements set forth herein.

2. Eligibility Criteria: In order to be eligible for the early retirement incentive, the teacher must:

- (A) Fulfill his/her teaching contract through the end of the 2021-2022 school year;

AND

- (B) Be at least 60 years of age or older by June 30, 2022;

AND

(C) Have at least 10 years of continuous teaching experience in the Gary Community School Corporation immediately preceding applying for the early retirement incentive;

AND

- (D) Be within the first 20 teachers to properly apply for the early retirement benefit;

AND

- (E) Meet the submission requirements and deadline set forth in paragraph 4 below.

3. The Early Retirement Incentive Benefit: A Fifteen Thousand Dollar (\$15,000.00) one-time cash payment (less all required taxes and deductions) will be paid to the first 20 teachers who meet all requirements set forth herein. This early retirement incentive benefit will be in addition to any other retirement benefit(s) that the teacher may be eligible to receive under the terms of the 2021-2022 master teacher contract. The one-time cash payment provided herein will be paid by no later than June 30, 2022.

4. Submission Requirements and Deadline. The deadline to submit a notice of retirement and completed Application will be April 1, 2022 at 3:00 p.m. (CST). No Application for the early retirement incentive benefit will be accepted after 3:00 p.m. (CST) on April 1, 2022. Certified employees applying for this offer will be notified by no later than May 27, 2022 whether their Application has been approved. Once an applicant is approved for the early retirement incentive benefit, then the applicant's Application will be deemed his/her irrevocable notice of retirement, which will be effective at the end of the teacher's 2021-2022 contract year. Any applicant who is not selected for the early retirement incentive benefit will NOT be deemed to have retired and will remain actively employed with the School Corporation. Applications to apply for the early retirement incentive benefit may be picked up in the Office of Human Resources beginning at 8:00 a.m. (CST) on March 8, 2022.

This Appendix C is incorporated into the 2021-2022 Master Teacher Contract and has been ratified as part of the 2021-2022 Master Teacher Contract.
