TOMORROW AND EVERY DAY”**

**GCSC DISTRICT MEETING
PUBLIC QUESTIONS & COMMENTS**

TUESDAY, JANUARY 31, 2023

Banneker @ Marquette

Gary, IN 46403

QUESTION 1: How many kids are on edmentum (Plato)? Per kids/per grade level.

ANSWER: We have approximately 180 kids on virtual learning who use edmentum. We also use edmentum for credit recovery classes in the summer (as all schools do) for high school students. That number usually averages around 60 student per summer. Additionally, we offer after school opportunities for students who are behind. That number fluctuates weekly.

QUESTION 2: What relationship does GCSC have at the local pre-school to get the kids ready for school?

ANSWER: Our pre-school, Bethune, has a curriculum which is approved and assists with all the pre-ready skills needed for a student to enter kindergarten. We are also an approved “On My Way Pre-School” through the state. Our pre-school is free to parents.

COMMENTS

Thank you for the partnership with Purdue Northwest.

Positive experience per GCSC parent.

Citizens want to be more involved in the schools.

What are we doing to support the teachers?

Need librarians
