Gary Middle School

Gary, IN 46403

QUESTION 1: How many kids on edmentum?

Answer: Approximately 200. It fluctuates depending on what students need each 9 weeks for credit recovery.

QUESTION 2: Bus to buy, not rent? What are we doing about safety? What are we doing regarding parent involvement?

Answer: It’s too costly to by buses and they are back ordered for at least a year. We have installed panic buttons in all classrooms, new metal detectors plus cameras and are working collaboratively with the police department on intruder in the building drills. Parents can join the PTA, Booster Club, or volunteer at their student’s school. We love parents to be involved.

COMMENTS

Meaningful community involvement.

Parent involvement – we need to encourage.

Questionable activities by students and administration. Need to have boundaries in place for students.
